VIDEO DISCOUNT VOUCHER
An important and urgent announcement to all video owners.

There is currently a Bill going through Parliament that will make it illegal to sell any videos other than certificated X-films (and you know how soft THESE videos are!). This will be law in just a few months time, so now is your LAST CHANCE to buy uncertificated HARDCORE FILMS. Adults Only shops have tens of thousands of such films to clear before the Bill becomes law, and they will have to destroy all their stocks of hardcore films. As a result of this, they are discounting all their hardcore films (this offer does not apply to X-certificate films, only uncensored films). Take this voucher to any Adult Only shop and they will reduce the price of any single video by £2, any 2 videos by £4.50 and any 4 videos by £10. Only one discount allowed per purchase. See the back of this magazine for the address of your nearest Adult Only shop.

ZETA ON TOUR

Swedish sex star ZETA is commencing a Nationwide tour of a selection of adult shops commencing 16th April and continuing to 9th June, during which she will be talking with shoppers and revealing the sensational physique which has made her the most sought after talent in sex films. See the ad in this magazine for details of when ZETA will be appearing in YOUR town! ZETA is the sex symbol of 1984, due largely to her starring role in the ZETA VIDEO SHOW No. 1 in which she and her sexy friends provide some outrageous sex action, the likes of which have never been seen in a UK sex videotape. ZETA's video is on special offer in all ADULT shops to coincide with her tour, at only £24.95, on renting at only £1.95. See the list of ADULT SHOPS on the back cover for your nearest stockist. ZETA's other smash hit sex film is, of course FANTASY MANOR - the film that made her xxxrated reputation. This film covers every known form of sexual activity, including group sex, lesbianism, object masturbation, intercourse and oral sex - all in crisp, colour close-up. This sensational video is available from your local video shop (if not, ask them to order it for you), and from ALL adult shops at £34.95 (see list on back cover) or you can hire it for £2.95 for 24 hours, or £4.95 for a week. INTRODUCING ZETA

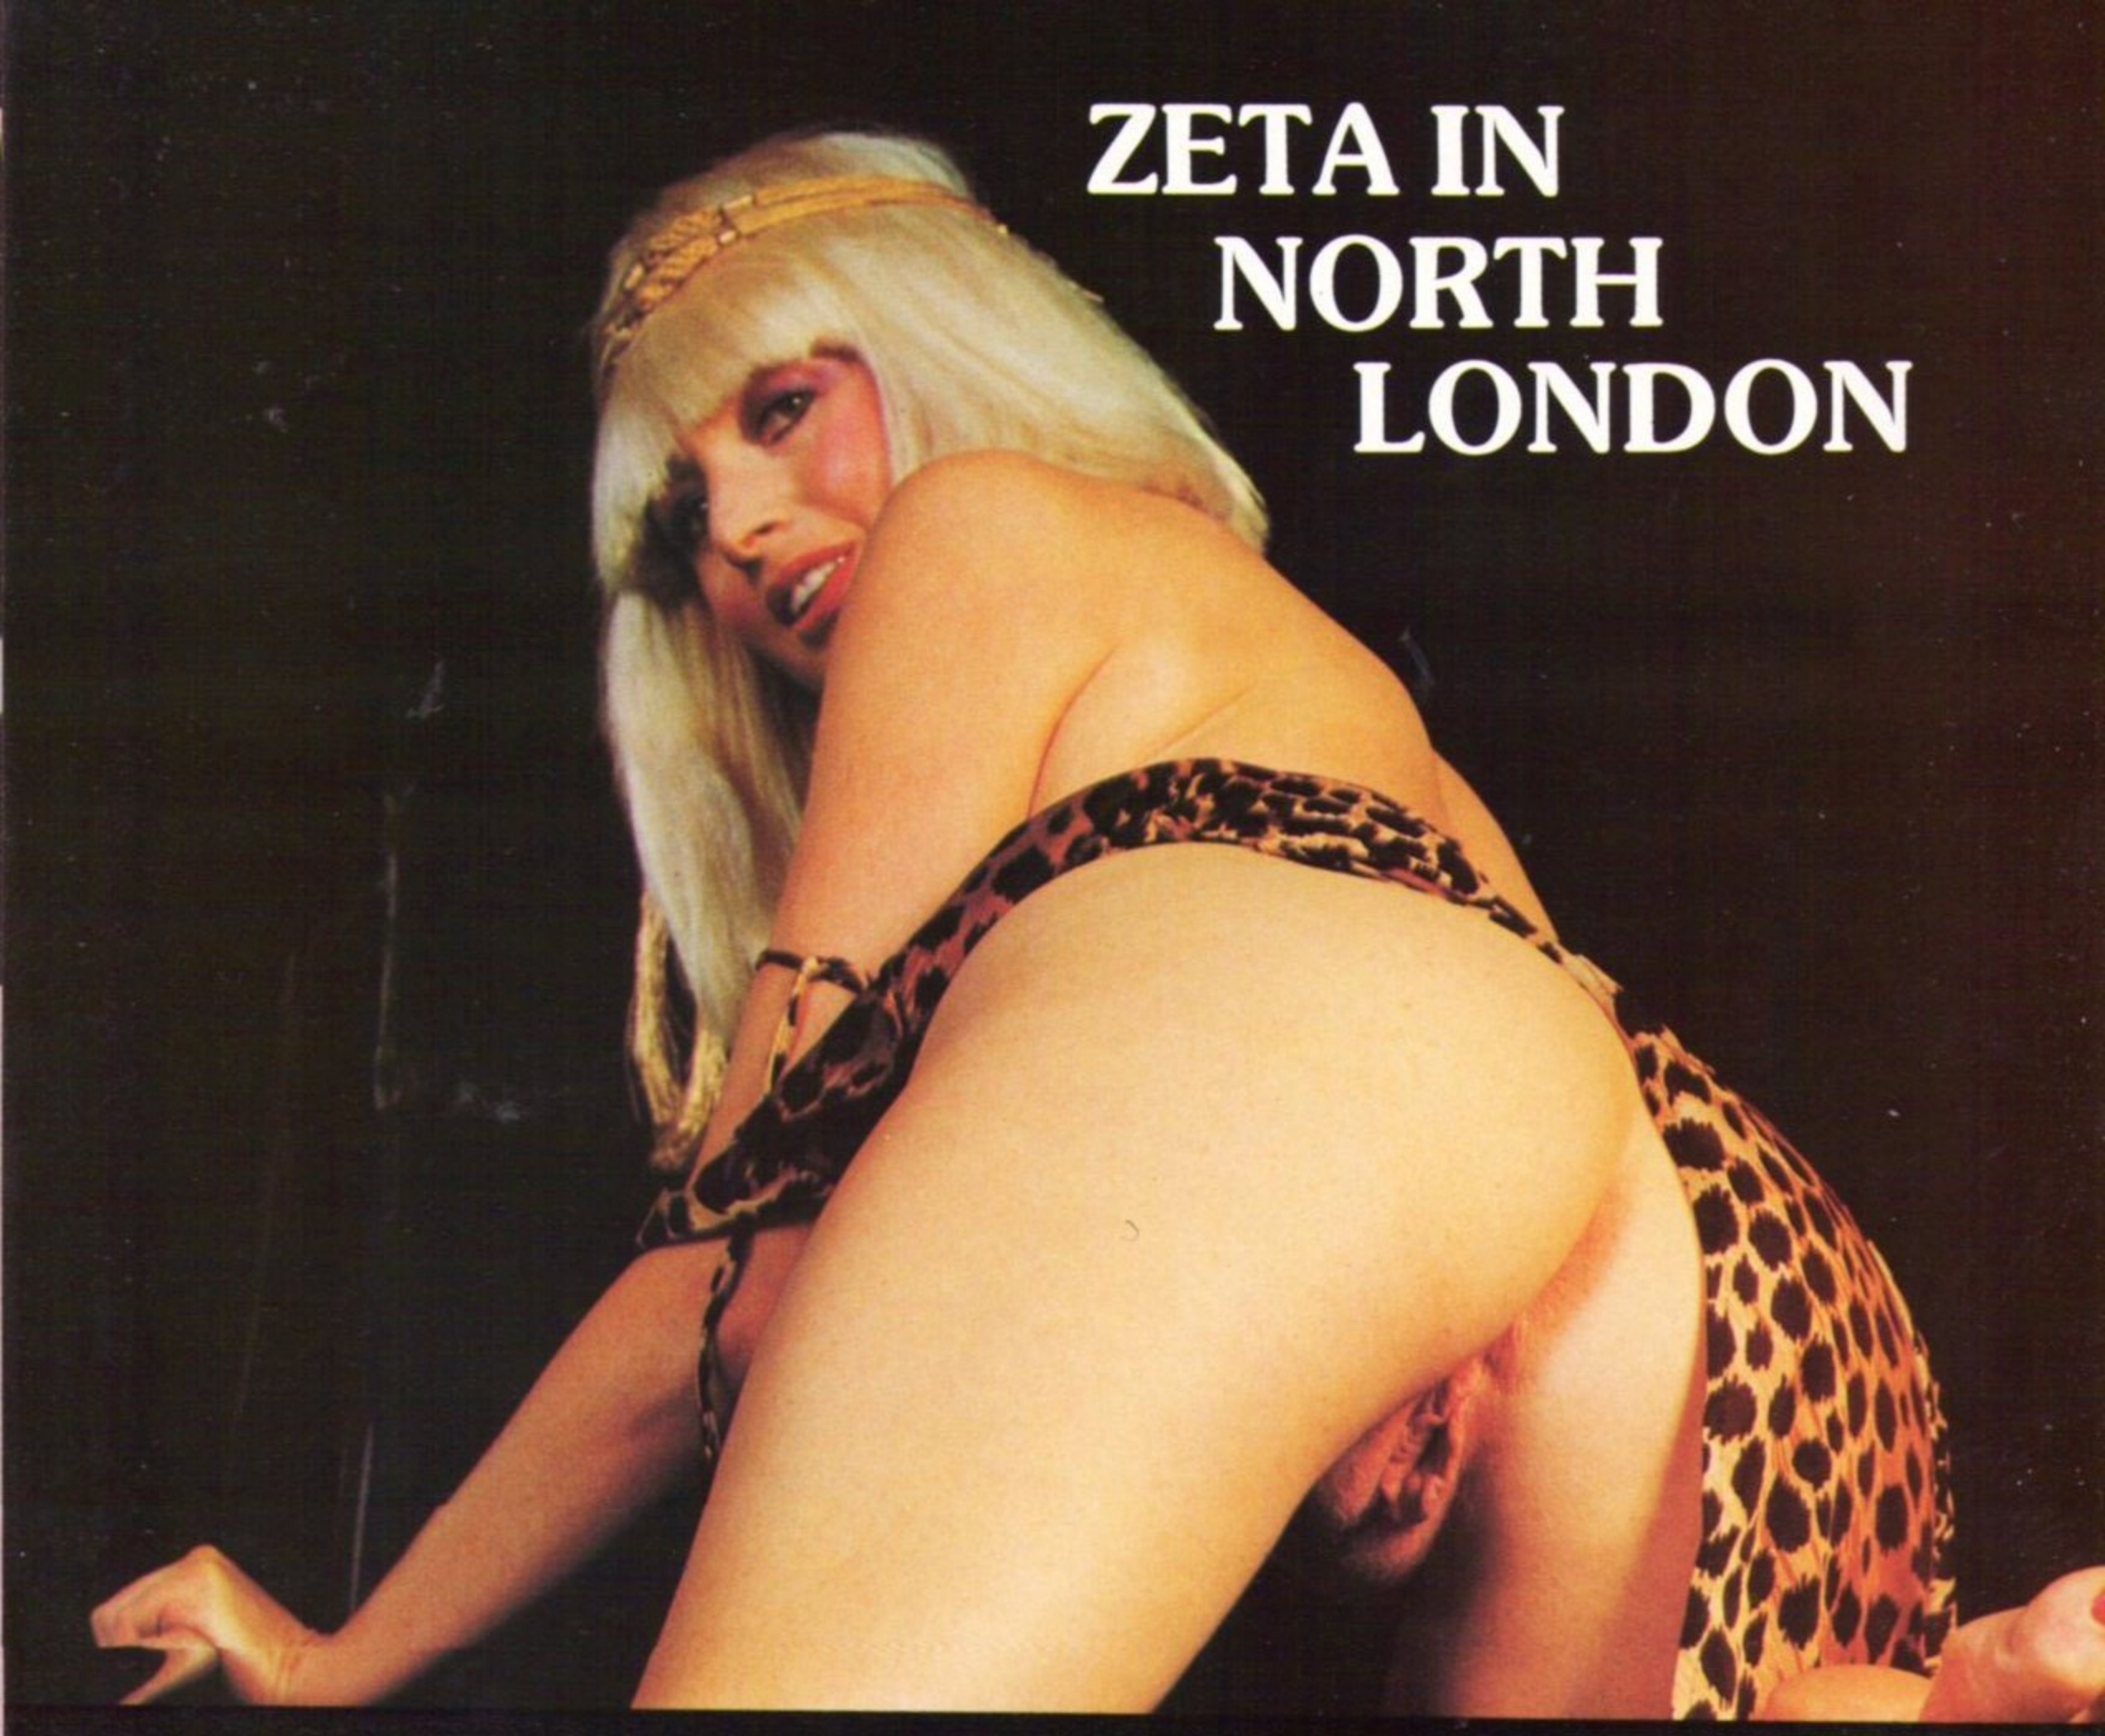
She is beautiful, she is golden haired, she's a real sex-film star, she will make all your sexual fantasies come true...she is Zeta. Each and every month she will be writing about her *true* sexual adventures in a brand new magazine called *Adult FANTASY*, and also, for a limited period in *Whitehouse Magazine*.

We don't usually publish stories in this all colour mag, but Zeta is so sensational that we just had to make an exception in her case. So here is a brief extract from her diary. If you want to see, and hear, more then get *Whitehouse;* if you want to see much, much, more then look out for *Adult Fantasy*.

ZETA IN NORTH LONDON



He looked so sad and lonely that my heart went out to him. I was sitting in a cafe in Camden Town. I had just finished a really hectic porno modelling session and had popped into the cafe for a cup of tea.

The man I was looking at was sitting at a table close to me, he was about forty, going bald, and was getting a little plump.

I know that us sex stars are supposed to go for the good looking, young, Robert Redford types, but honestly, they bore me to tears. I like to make a play for men who look as if they need a break, look as if they are having a hard time. The Super Stud types are always trying to prove how good they are, I always say that it is much better to give than receive, and that is why I always, but always, give my sexual favours to men who look as if they really need it.

I went over and sat next to him and asked him why he looked so sad, as it was a nice day outside.

Well, it is always easier to talk with strangers than with friends, and he started to babble out his story.

Seemed his wife had left him, taken all the money out of the bank, and he was in debt, had real problems, and couldn't understand why all this was happening to him.

"And, worst of all," he said. "Because I'm broke I haven't had sex for ages, and anyway, who wants to fuck with a pot-bellied, balding, middle aged man?"

"You would be surprised," I said, holding his hand. "Not all us girls are gold diggers. Some of us prefer your type, the man in the street type."

He brightened up at that and a smile crossed his face.

I really did feel sorry for him, and said: "What is your sexual fantasy?"

"Just to go to bed with a girl like you, just once in my life to bed down with a stunning girl who knows what it is all about. My wife wouldn't even give me oral sex, you know that?"

That isn't the first time that I've heard that from a man. I can't understand it. Sucking cock is one of the real pleasures of my life.

I told him all about myself, that I was twenty five, had gone to Sweden when I was eighteen, had made many blue films there, had been voted Miss Europe, that I was now back in the UK posing for the hardest porno-pics ever seen over here.

"If I was twenty years younger," he said. "I might stand a chance with a girl like you, but..."

"No buts," I told him, squeezing his hand. "Look, what would you ask for if you had one wish, a wish that would be granted?"

He pushed back his thinning hair, his face looked gaunt and drawn and worried. "Wishing is about as far as I would get," he said. "I'm getting fat and old and past it."

"One wish," I told him.

He looked at me and smiled. "I wish that you would come back

to my house with me right now and suck me off."

"Then your wish is granted," I said.

I really do get a kick out of making people's dreams dome true. I also enjoy sex, and the sex is always that much better when I am performing it on a man who is in desperate need of it, and this man was desperate.

He looked stunned as I said those words, and then shook his head, said that I shouldn't joke about it with a man in his state. I said I wasn't joking, and told him to take me to his house.

He still looked stunned as we walked down the street, looked stunned as we went into his house, but he started to really believe me when I began to slowly undress him in his bedroom.

He tried to turn away when he was naked, tried to pull in his belly. I smiled. I said that beauty was in the eye of the beholder, and that to me, he was a beautiful man, that he should be happy with what he had.

I don't know what he was worried about, for he had a very nice cock, the sort that I love to get inside my mouth, or inside my pussy for that matter.

I undressed, and when he saw my naked body, that lovely penis of his gave a huge jerk and became very erect.

I pulled him down onto the bed and planted a long lingering kiss on his pot belly, then ran the tip of my tongue all over it, to make him fully realise that he was my type, that was a man in need and that I was going to make his cock sucking fantasy come true. In any event, I was feeling randy as hell, for posing for those porn pics earlier on, posing for those wide open pussy shots, had made me hungry for some sexual action.

"Now I am going to give you the sort of cock sucking that you will remember for the rest of your life," I told him.

Yes, I'm a real expert. All those blue films in Sweden had turned me into a real expert in all the techniques of oral sex. In fact, one film studio over there had voted me 'cock sucker of the year' and in Sweden, with so much competition, that is indeed a very high compliment.

I knew that as he hadn't had sex for so very long, that his cock would be on a hair trigger, that he might come very quickly, and this would embarrass him. But I was sure that my expertise in such matters would come to his aid.

He was staring at my pussy, at my lovely pouting vaginal lips, and I smiled, and gave him a treat, I reached down and using both my hands I gently parted my pussy lips and moved close to his face, so that he could see all the way inside my cunt.

The look of pleasure on his face when he stared into the depths of my cunt gave me a good deal of satisfaction. Well, if he was happy then I was happy, and anyway, it always turns me on a great deal to have a man look inside my love nest. Just having him look inside me like that turned me on so much that I started to cream up, and little drops of sparkling pussy juice dripped from my hole onto his face, and he lapped at them as they dripped down. The look of sheer joy on his face made me feel good, and made me again realise that more satisfaction was to be had from going with his type than with the Robert Redford types.

I moved back down his naked body and placed my face close to his cock and breathed in, for I do so much love the scent of hot throbbing cock.

That's why some women are good at cock sucking and why some are not. To be good at it you have to, like me, really adore everything to do with a man' penis, and I have always loved, just loved, hot throbbing cock!

I reachd out and peeled his foreskin right the way back with my fingers and exposed his swollen glans, and the touch of my fingers made him shake with sheer pleasure.

I knew that I would have to use all of my very considerable cock sucking expertise to stop him coming right away, for he was very worked up indeed.

I leaned over and ran the tip of my tongue over his nice balls, and that cock of his jerked some more.

I moved my tongue up from his balls, up his thick straining shaft, and then brushed it over the head of his glans, and the taste was wonderful, all hot and salty, just like a good cock should be. He was worried about his balding hair and pot belly, he shouldn't have been, for any woman, with any sense, would have loved his cock.

Men are silly like that, you know, looks aren't everything. I had a spotty faced twenty year old kid once who fucked me better than any of the super studs in any of the films I'd been in. It is what you do that counts, not what you look like.

I continued to run my tongue over his glans and he started to pant with lust, and then I felt his cock shake, and right away I pressed three fingers tight against the base of his shaft to stop him coming, and when that cock had stopped jerking, I then used my tongue on him again, this time moving it over every single inch of his lovely tasting tool. That three finger ploy always stops the man from coming if it is well done, and I do it well!

He had full control of himself now, and I knew that he wouldn't come too soon, stopping him coming that once had done the trick.

I lapped at his cock some more, got it as hard as possible, and then opened my mouth fully and drew his swollen glans all the way into my mouth.

The hot salty taste inside my mouth grew stronger as I sucked very gently, and that taste worked me up and up, and I could feel my pussy cream really streaming from my cunt now, so much so that the scent of my cream was filling the bedroom.

I started to blow in and out with my cheeks and sucked just a little harder at his cock, and it was so good that I had an orgasm. Well, it wasn't the first time, and it won't be the last time, that I've had an orgasm just from having a good cock inside my mouth. And what made it that more enjoyable was the fact that this man needed it, really needed what I was doing for him.

I bobbed my head up and down, licked at the glans, banged that glans right at the back of my mouth, and at the same time used my hands on his shaft, even slipped one hand right under him and used my fingers to stroke his lovely bum.

He was gasping and panting, his entire body seemed to be heaving up and down. I sucked just a little harder after that and then the first faint trickle of seminal fluid escaped from the slit in his glans, that little flow of fluid came from his 'eye' and I drank it down, and it tasted so very good that I climaxed again.

It meant that he was close to coming, and I didn't try and stop him this time, for the suck had lasted quite a while, and delaying it any longer would not have been good for him, and in any event, I was dying to get his spunk into my mouth.

I sucked again, pulled at his balls, played with his bum, and then it happened, that magic moment that I love so very much.

He shouted out loud, his entire body went very rigid indeed, and then the spunk spurted from his cock, and the first hot wave splattered right to the back of my mouth, and as I drank it down, as that beautiful stuff trickled down my throat, I had a really super orgasm.

He seemed to be pumping out pints of the stuff.

This is always up to the woman, really. If she makes the suck last as long as possible, if she takes care and attention about sucking well, then the man will always, but always, shoot out more spunk than normal. As I like, as I love, the taste of spunk, then I always take great care and attention to what I am doing when sucking cock. The more spunk the better, is what I always say.

I took a great deal of the beautiful sperm into my mouth, and had another orgasm as I swallowed it down, and then I thought I would give him a real treat, for I know that men just love to see their spunk on a woman's face, and to tell the truth, I like having it there. To tell more of the truth, I love having good fresh hot spunk anywhere on my body!

So I removed his spunk pumping penis from my mouth and held it up to my face and worked my fingers over his shaft and balls, and even more sperm came shooting out, and the last flood of it hit me right between the eyes and dripped down over my lips, ran down over my chin, and a few drops went onto my breasts.

He sat up and gazed at my face, and I smiled at him. "That was wonderful," he gasped. "It was a fantasy come true."

"That's me," I said smiling. "I'm in the making fantasies come true business."

I gave him one further treat, I reached up with my right hand and then wiped some of the spunk from my nose with my fingers, and then placed those spunk coated fingers inside my mouth and lapped them dry.

Well, good fresh spunk is too beautiful to waste!

I then went down on him again, and sucked at his limp cock, and was able to coax out just two more drops of sperm from him, and I drank those drops down. Which of course, gave me another climax, and the sheets on the bed were now soaking wet where my juices had flowed out.

I had made him a very happy man, very happy indeed, and because he was happy, then I was happy. For a little while I had been able to make him forget his problems. I had made his cock sucking fantasy come true. I had proved to him that you don't have to be super-looking, lean, thin, sexy, with a full head of hair, to be able to get into bed with a girl like me!
